## **TODAY'S NEWS BRIEF**

### **The American Chamber of Commerce in Hong Kong Supports One Company One Job Campaign**

The American Chamber of Commerce in Hong Kong and other major local business chambers are supporting a voluntary "One Company One Job" campaign to help create job opportunities for college graduates.

We sincerely encourage your company to support this purely voluntary scheme by hiring at least one college graduate trainee for 12 months at a minimum monthly salary of HK\$6,000. There are no obligations to offer long-term employment. After 12 months, these qualified educated young trainees will be prepared for a wider job scope and hopefully face a better economic climate.

Companies may join voluntarily according to their own needs. For enquires, please call Simmy Lam at 2530 6915 or email [slam@amcham.org.hk](mailto:slam@amcham.org.hk). Interested companies may also download the form from <http://www.amcham.org.hk/archives/issues/1-co-1-job-application-form.doc>
