## **AMCHAM COMMENTS ON NEW HKSAR CHIEF EXECUTIVE**

HONG KONG – The American Chamber of Commerce in Hong Kong wishes the Honorable Tung Chee Hwa great success in his new position as a member of the Chinese People's Political Consultative Committee. We expect Mr. Tung to keep the interests of Hong Kong people at the forefront of his agenda.

We look forward to working with Donald Tsang as he assumes the duties of Chief Executive, and anticipate that the procedure by which the next Chief Executive is chosen will be transparent and in accordance with the Basic Law.

The core values of The American Chamber of Commerce are transparency, free flow of information, rule of law, ethical and responsible business practices, free trade and private enterprise, all of which are central to the position of Hong Kong internationally.

We expect that Mr. Tsang will continue to promote Hong Kong's outward-looking perspective and wish him great success in his new role.
