

FUTURE LEADERS CLASS OF 2022

ERIC CHAN

CO-FOUNDER
ATEM NETWORK

Eric is the Co-founder of Atem Network, a web3 social infrastructure startup for chat and trade crypto assets on multichain.

Prior to founding the startup, Eric was the Head of Growth Product at Bybit and was responsible for user growth and retention in the central hub infrastructure department.

Before joining Bybit, Eric was a product manager covering the global eco health monetization strategy at Bytedance (Tiktok). He was also the Chief Product Owner and launched the content platform - HSBC VisionGo in Hong Kong.

Previous to his work at HSBC, Eric was the Ad Policy Lead at Meta (Facebook) responsible for the set up of the ad moderation team and ad policy optimization. He has also spent 4 years at JP Morgan and HSBC Middle East specialized in cash management products and business strategy.

Eric earned an EMBA from Quantic School of Business and Technology, a Master of Science degree in Financial Engineering from City University of Hong Kong and a Bachelor of Science degree in Statistics from University of Calgary.
