

FUTURE LEADERS CLASS OF 2022

MAX HAU

SENIOR SAFETY OFFICER
OTIS ELEVATOR COMPANY

Max Hau is an environmental, health and safety specialist who believes that health and safety should be one of the absolutes during work. From implementing an effective safety and environmental management system, ISO and WELL certifications to numerous safety digital transformation, Max works closely with field operation to drive a safety culture. Max is a registered safety auditor of HKSAR and graduate member of IOSH. Max enjoys baking but can also be found in hiking.
