Distinguished Judge

Priyanka Agarwal

American Women's Association

President

Priyanka is very passionate about women empowerment and believes change is the one constant in life. As a trailing spouse for over 20 years, she understands the challenges of balancing family with career aspirations. Overcoming this struggle has taught her to view every move as an opportunity to explore new cultures and find purposeful avenues. Originally from India, she has lived in Japan, Singapore, Venezuela, Chile and now Hong Kong.

A solution oriented, passionate with entrepreneurial mindset, executive leader with a professional background in finance and accounting. She has multi-faceted experience across different cultures, countries and industries. She was Director in a US grant organization, where she set up their Singapore office and ran service learning programs for children. Before moving to Hong Kong, Priyanka ran a flexible talent solution company with her founder partner.

Her last few years have been focused on executive management of NGO's and start-ups, with personal passion for women empowerment and making social impact.

Priyanka joined AWA within a month of moving to Hong Kong in 2017. She got involved in Charitable Donations Committee right away. As a co-chair of AWA WISE event in March 2019, she deeply connected with and saw the impact of AWA's mission of "connect and contribute".
