

AmCham Women of Influence Awards 2020

Distinguished Judge

Dennis Bishop

Symbior Energy Limited

Managing Director – Golden Dragon Investment Club

Dennis has lived and worked in Asia for almost 40 years. He has held senior management positions for the General Electric Company (GE) in Japan, was President of GE in Taiwan, and led the Asia-wide Power Generation Division based in Hong Kong.

Since leaving GE he has headed a major Asian environmental consulting company based in Hong Kong, and run the largest local engineering consulting firm in the Middle East based in Saudi Arabia.

Most recently he has created venture capital firms in Saudi Arabia, the USA and Hong Kong focused on sustainable energy technology and applications.

He holds a BS degree in Metallurgical Engineering and an MBA in International Business. From 2011 to 2018 he was Scoutmaster in Hong Kong for Boy Scouts of America (BSA), and is currently a member of the BSA Executive Board for the Far East Council.
